

The 5th Anniversary WTIA Gala Dinner

cum Prize Presentation of The 1st Hong Kong Wireless Technology Excellence Awards

The 5th Anniversary WTIA Gala Dinner

Established in 2001, Hong Kong Wireless Technology Industry Association (WTIA) has grown into an organization in the IT and Telecom industry, with over 100 company members from mobile network operators, handset manufacturers, hardware / software vendors, system integrators, application developer, content providers, etc.

In the past years, we have accomplished many significant achievements to facilitate industry growth and business partnership by establishing Hong Kong Wireless Development Centre (HKWDC), collaborating with government / local & overseas counterparts, organizing many popular / admired events and implementing technology research development. *It is worthwhile for us to organize the 1st WTIA Gala Dinner to retrospect to the Precious Moments of our first 4 years of WTIA while stepping into the 5th year.*
